## Take the Tour

Revel in the 14th annual Arts and Eats Tour, an outstanding cultural experience for all ages.

Arts and Eats is a free, self-guided driving tour of Allegan, Barry, Calhoun, Kalamazoo, and Van Buren counties in Southwest Michigan. The Thornapple Arts Council with local partners collaborate to bring you quality experiences in art, local food, and agriculture in those little out-of-the-way places that beg to be discovered.

Drop in on local artists in their studios or at spectacular central venues. See working farms featuring specialty food crops, fiber, and heritage animals. Dine on scrumptious cuisine and refreshing beverages at restaurants that use Michigan-grown ingredients. Explore beautiful autumn in our quaint but vibrant communities.

This tour highlights our region's human and natural resources, reminding us of the great benefits of buying local.

Seed grown boutique lavender farm specializing in aromatherapy products. We grow from seed to ensure no synthetic pesticides, herbicides or fertilizers are used on our crop from the beginning. Our lavender farm is proud to “bottle up” our boutique lavender fields and offer you our beautiful and affordable “lavender lover’s” hand curated arrays to satisfy you or any lavender aficionado in your life.

Virtue Cider occupies 48 acres of vibrant Western Michigan farmland and orchards. Check out the farm with its native plants and apple trees, and say hello to the Gloucestershire Old Spot pigs, Icelandic sheep, and other heritage-breed animals. When you’ve worked up a thirst, stop by the taproom and choose from a wide selection of craft ciders made right on site, paired perfectly with small-plate snacks.

Family owned and operated farm offering U-pick Blueberries, Raspberries, Apples and Pumpkins. During the fall we press our own cider, offer wagon rides, make donuts and other fall baked good favorites in our bakery.

We are a farm for rescued and retired alpacas, goats, sheep, donkeys, and ducks. Teaching others about our animals and how to use their fiber to create fun and practical items while recognizing the healing power of handwork is our mission. Make-and-take craft projects will be available.

Four Roses Cafe in Plainwell is a casual, fine dining cafe with a focus on fresh, flavorful dishes and outstanding service. We strive to use local farmers and vendors whenever possible and have an emphasis on fresh, sustainable products. The food at Four Roses is simple, fresh and delicious.

Housed in a renovated old print shop--and made extra beautiful with a show-stopping, custom-made wooden bar--Seasonal Grille offers rustic Italian food with an American flair. Try something off their menu of fresh salads, tasty soups, delicious entrees, gluten-free options, and more, and then wash it all down with an excellent wine! Seasonal Grille’s Michigan supplies include Halperns’ Steak & Seafood, Square Roots, Sterling Cheese Group, Ebels Farms, and Otto’s Turkey.

Family owned and operated, the Walldorff is a great place to enjoy American food, craft brews, and wood-fired pizzas in one of America’s Top 100 Best Small Towns--Hastings, Michigan! The Walldorff works hard to provide you great food from the kitchen and premium hand crafted ales from head brewer Brett Hammond. The Walldorff sources their Michigan-made ingredients from Kokx Produce, Trippy Farms, and Keeler Honey.

We are a local coffee roastery and coffee shop. We specialize in wood fire coffee roasting right in the shop. Our coffee has a full flavor and is so smooth, never bitter. We serve a wide variety of coffee drinks; drip brew, espresso, cold brew, iced and nitro. We also serve some pastries along with our coffee drinks.
