Take the Tour

Revel in the 15th annual Arts and Eats Tour, an outstanding cultural experience for all ages.

Arts and Eats is a free, self-guided driving tour of Allegan, Barry, Calhoun, Kalamazoo, and Van Buren counties in Southwest Michigan. The Thornapple Arts Council with local partners collaborate to bring you

quality experiences in art, local food, and agriculture in those little out-of-the-way places that beg to be discovered.

Drop in on local artists in their studios or at spectacular central venues. See working farms featuring specialty food crops, fiber, and heritage animals. Dine on scrumptious cuisine and refreshing beverages at restaurants that use Michigan-grown ingredients. Explore beautiful autumn in our quaint but vibrant communities.

This tour highlights our region's human and natural resources, reminding us of the great benefits of buying local.
